by the Australian Bureau of Statistics

Release of Business Register to the National Recovery and Resilience Agency and Resilience New South Wales

In accordance with the requirements of section 14 of *the Census and Statistics (Information Release and Access) Determination 2018*, made under section 13 of the *Census and Statistics Act 1905*, the Australian Bureau of Statistics (ABS) has released a list of business characteristics, the details of which are as follows:

The ABS has disclosed to the National Recovery and Resilience Agency (NRRRA) and Resilience New South Wales (Resilience NSW) a list of business characteristics from the ABS Business Register for businesses with active ABNs within flood impacted areas identified by the NRRRA in New South Wales in July 2022. This information will be used by the NRRRA and Resilience NSW to support the management of the flood events.

The list will be used in conjunction with other information sources to:

1. Identify large businesses exposed to the severe weather and flooding event.
2. Understand the profile of all affected businesses to tailor recovery support, including the provision of grants and loans, and
3. Brief senior officials and Ministers.

For each business in the list, the ABS provided:

- Australian Business Number (ABN)
- Local Government Area Code
- Local Government Area Name
- Employment Size Range
- Industry
- ABN Entity Name
- Trading Name
- Business Address
- Business Locality
- Business State
- Business Postcode
- Latitude
- Longitude
- Scope flag to indicate whether the ABN is in scope of the Counts of Australian Business, including Entries and Exits (CABEE) publication.
