

OUR MOMENT TO **PAUSE** AND MAKE A DIFFERENCE

August 9 is Census night.

Everyone in Australia on Census night must complete the Census.

The Census is our chance to play a role in shaping the future of Australia.

From August 1, look out for your household's letter in the mail.

Use this letter to complete the Census online, or follow the directions to get a paper form. You must include everyone who stays in your home on Census night, including all adults and children. Also don't forget to include any family and friends who are visiting and stayed with you on the night of August 9.

The information you provide in the Census is private and confidential.

The ABS does not share your personal information with anyone, including government agencies such as the Police, Housing, Australian Taxation Office (ATO) or Centrelink.
