

Everyone in Australia must pause to complete the Census on August 9, even if you're an international student.

Search Census online to find out how to complete the Census, where to get help with translations, or about the privacy of your information.

Live in a share house or residence? Make sure you're included on the Household Form of a share house or call **1300 214 531** for a Personal Login. If you live in a residence, your accommodation provider will give you a Personal Form with Login details.
